ROAD TRIP

Lessons at a Glance

Day 1: The Grand Canyon

Story: God Saves

The Grand Canyon reminds us of the huge gap sin causes between sinners and God. Jesus closed the gap by forgiving our sins through his life, death, and resurrection.

Day 2: The St. Louis Gateway Arch

Story: Jesus Raises a Girl From the Dead

The Arch is impressive, and we are impressed with many things people can do. But Jesus can do anything!

Day 3: Walt Disney World

Story: A Rich Man Talks to Jesus

Favorite vacation spots, riches, and other joys of life on earth should never come before our love for the Savior.

Day 4: The Statue of Liberty

Story: A Servant Girl Shows Kindness

The Statue of Liberty reminds people of the kindness and freedom found in America. God's Word reminds us to show kindness to others and to tell them of the freedom they have through Jesus.

Day 5: The Rocky Mountains

Story: Jesus Ascends Into Heaven

Nature is full of beautiful sights, but the greatest sights are still ahead. Jesus will return in glory to take us to heaven!
